Hemstitch the end of the scarf going over 2 warps and 2 wefts (instructions for hemstitching can be found at schachtspindle.com, click on Weaving to Spin & Weave, issue 2).

Weave plain weave, alternating the weft colors in the following pattern:

10 picks of Kingfisher Blue
10 picks of Spiced Poppy
10 picks of Kingfisher Blue
10 picks of Wheat Heather
End with 10 picks of Kingfisher Blue.

Weave for 60" then hemstitch the other end of the scarf.

**FINISHING**

Remove from the loom. Wash by hand in very warm water and lay flat to dry. If fabric is not sufficiently fulled, wet the fabric and place in dryer with towels and tumble, checking the fabric frequently until sufficiently fulled. Lay flat to dry and then steam press using a press cloth.

Weaving Variation: Rotate weft colors as above, but weave 20 picks of Wheat Heather every other repeat.
